

## Aaron Hempel

SENIOR MORTGAGE BANKER

Aaron graduated from the University of Missouri Business School in 1994 and began a successful career at Enterprise Rent-a-Car. He decided to make the move into the mortgage industry in 2000 since he had always had an entrepreneurial spirit which couldn't be satisfied in a large corporate environment but could as a mortgage banker. During his time as a mortgage originator Aaron has been a top producer and has been acknowledged many times for his customer service. He currently holds his mortgage loan originator license in Missouri and Illinois. Lending has changed greatly since he joined the business in 2000, but with his experience he has helped his clients smoothly navigate their way through the lending process and tailored every loan specific to the client's situation and needs.
