

## Ted Overall

SENIOR MORTGAGE BANKER

I was born and raised in St. Louis and, after spending 20 years in Colorado, I'm pleased to once again call it my home. With twenty years of experience in mortgage lending, I know the importance of making the entire transaction move forward smoothly. Previously, I was the in-house lender for the largest real estate company in the St. Louis area. During that time I learned a great deal about the importance of helping home buyers and real estate agents navigate the loan process in a stress-free and enjoyable way.
